 - b. Management shall inspect the damage and if, in their judgment the damage done is beyond ordinary wear and tear, they shall as soon as possible determine the costs of repair, or replacement and notify the member.
 - c. The member upon receipt of notice of damage shall have 30 days to make payment or satisfaction of the claim. If payment is not received within that period of time, the amount of the damages as determined shall be added to the member’s club account and shall become due and payable with the monthly billing.
