The Corporation shall be responsible for the dues and debts incurred by each member utilizing said stock.

(h) Honorary Member: The Board of Directors may designate an individual as an honorary member of the Club. The needs for said honorary member and privileges extended for such membership shall be within the sole discretion of the Board of Directors.

(i) Holding Member: Holding Membership is to afford those members having a full membership and a member in good standing whose residence changes to a location outside of Henderson County or any adjacent county an opportunity to return to the Club if at some point in the future they should return to the area. Said member must request permission of the Board of Directors to be placed in holding

membership classification. In this classification the member retains all of his rights as a member of Henderson Country Club except the right to vote on issues pertaining to the Club and in any election of board members. A Holding Member is not eligible to serve on the Board of Directors.

The Holding Member may utilize all the facilities of the Club by paying an annual fee of ten percent (10%) of full membership dues to be billed in the April billing and the payment of green fees or weekly guest fees whichever is less for each member of the family participating.

The Holding Member must be a non-resident of Henderson County or any adjacent county for over one year. Should the Holding Member return to the county prior to one year, and then he/she must pay the entire annual dues. After one year, if the Holding Member returns to the county or any adjacent county, they must notify the Club within sixty (60) days that they are again residing in the county and desire to be activated as a Full Member. At the next scheduled board meeting the Board will activate the Holding Member as a Full Member and only require that he/she begin paying the Club monthly dues for their classification of membership. (No initiation fee will be required)

(j) **Fees and Dues:** The dues and fees shall be submitted with the annual budget at the Annual Membership Meeting each year for approval by the membership.

(k) **Assessment:** An assessment upon the membership of the Club shall only be made upon the approval of the Board of Directors.

(l) **Membership Amendments:** Notwithstanding the foregoing in this section, the Board of Directors may, without the approval of stock certificate holders, add new classes of membership, delete existing classes of membership, or amend the rights and privileges of all classes or any class of membership.

Section 2. Initiation Fee and Stock:

(a) Unless otherwise provided hereinabove, applicants for full membership, senior membership, and single membership shall pay the prevailing initiation fee and may purchase a stock certificate. The total sum paid for the initiation fee and stock certificate purchased must be

paid upon acceptance of the member, unless otherwise provided herein. There will be a maximum of 700 stock certificates issued.

(b) All shares of stock must be sold or transferred through the office of the Club. Any member who resigns in good standing must deliver their stock to the Club wherein the stock shall be made available for sale. The Club shall maintain a list of the shares of stock available for sale and it shall be sold on a first come basis. When sold, the selling owner shall receive the selling price of said stock and the Club shall receive the initiation fee paid by the new purchaser. Certificates shall not be transferred without the approval of the Board of Directors. Certificates may be cancelled by the Board of Directors upon violation of Club By-Laws, rules or regulations by a member and pledging of certificates or allowing liens to be created hereon or similar acts shall be grounds for cancellation.

Section 3A. Membership Renewal: All memberships shall be considered to be automatically renewed on May 1st of each year, and one (1) year's dues shall therefore become a debt, unless a letter of resignation is received by the Board of Directors forty-five (45) days prior to the fiscal year end of the Club.

Section 3B. Resignation: A member may resign only by a written notification to the Board of Directors forty-five (45) days prior to the end of the fiscal year, May 1st, of said resignation and shall be effective at the end of the year. A member may not demit. Resignation shall not release the member of his obligation to pay the dues required for the remainder of the said fiscal year.

Section 4. Payment of Dues: All dues, as set forth hereinabove, are payable in advance on not less than a monthly basis. All dues, billed on or about the first day of each month in which they are due, are payable on or before the 30th day of that month. If the Club has not received payment by the 30th day of the month, a penalty of 1.5% per month of the unpaid balance shall be added to the member's statement.

Members who are due forty five (45) days from the original statement date will be contacted via email or phone requesting update on payment.

Members who have not paid their statement balance after sixty (60) days from the original statement date will have all privileges and use of clubhouse and facilities suspended until paid in full. In addition, Members who have not paid their statement within sixty (60) days will have their names posted in the Pro Shop and Clubhouse.

Accounts that are due ninety (90) days from the original statement date will have their account turned over to attorney for collection, unless approved payment arrangements have been made.

In addition, this Section shall also apply to all other monies owed the Club for services, which are billed monthly.

Section 5. Non-Payment: Any member not making payments as defined, or failing to pay promptly any obligations due the Club shall be deemed as in arrears and not in good standing. If arrears continue for a period of more than thirty (30) days, said member shall be subject to notification by the Board of Directors of the arrears. Upon the passage of sixty (60) days in arrears by a member, a “notice to show cause” letter shall be issued, Certified Mail, Return Receipt Requested, for the member to appear at the next scheduled Board meeting and show cause as to why he/she should not be expelled from the Club membership. Such member shall be subject to expulsion upon failure to present a reasonable explanation for arrearage.

Expulsion shall include the forfeiture of his/her share of stock and any rights incident to the ownership of stock, as well as any benefits or privileges a member in good standing would be entitled to, up to and including exclusion from participation in any civic functions on the premises of the Henderson Country Club. Further, the expulsion shall not relieve the shareholder of the monthly obligation for payment of dues and bills properly due and owing the Henderson Country Club. In the event the arrearages incurred are assigned to an attorney for collection, the member shall be responsible for all attorney fees and court costs incurred in the Club’s effort to collect on the arrearages.

Section 6. Control of Memberships: All memberships, as set forth hereinabove, and the use of all facilities of the Club are subject to such rules and regulations as the Board of Directors of the Club shall from time to time adopt.

Section 7. Election of Members: A member of any classification above may propose for membership any person of good moral character. The classifications, to which the nominee is eligible, shall be determined according to the definitions set forth in Section 1 of this Article.

The application shall contain references from at least two (2) members in good standing. The Chairman of the Membership Committee, or his designee, shall present the application to the Board for acceptance. Membership will be granted if two-thirds (2/3) of the Board of Directors present at the meeting approve the application. If no membership opening is available, the approved applicant will be placed on the waiting list. If the applicant is denied membership he shall not be eligible for re-nomination for one (1) year.

Section 8. Exception for Military Service: A member who is absent in active military service shall be exempt from the payment of all dues and fees during his absence, unless a member of his household or members continue to use the Club facilities, but no part of any dues already paid or payable shall be refunded.

Section 9. Death, Disability, Job Loss, Medical Hardship or Moving: In the case of a death of a Member, the membership certificate shall pass to the spouse, if any. If there is no surviving spouse, the membership may be passed on to a lineal member of the immediate family, with approval of the Board of Directors or returned to the Club for sale and re-issued to the first, active member with the monies from the sale returned to the estate. Death, disability, job loss or moving from Henderson County, Kentucky, or any adjacent county shall be grounds for resigning from the Club at anytime. At the Board's discretion, any 10+ year member, in good standing, could be rebated for dues at the time of resignation. All bills must be paid at time of resignation. In the event a medical hardship, as documented in writing by a doctor, prevents a member in good-standing from playing golf, the Board has the discretion to suspend dues payments (but not assessments) for said member until the medical hardship is resolved. During the period of suspended dues, said member, including all family members if applicable, will not be permitted to use the golf course, but may, at the discretion of the Board, have access to all other facilities at the club including practice facilities.

Section 10. Suspension or Expulsion; For the persistent (more than once) infraction of any of the By-Laws, rules and regulations of the Club, including such as are promulgated and published by duly constituted committees and are not inconsistent with these By-Laws or for any action or conduct adversely reflecting upon the Club, a member may be suspended or expelled by the Board of Directors. The member shall have an opportunity for a fair hearing as set forth in Section 5, based upon the issuance of a “show cause” notice.

In the event a Club member is expelled, expulsion shall mean and include the fact that the Club member shall not be entitled to any benefit, use or privilege of the Henderson Country Club premises whatsoever. This includes the participation in outings of other organizations by whoever organized, or any private function that may take place on the premises of the Henderson Country Club

Section 11. Effect of Termination; The termination of membership, including resignation or suspension, shall in no case involve the refund or abatement of (a) dues which have theretofore become payable, (b) membership fees theretofore paid or (c) any other monies remaining unpaid at the point of resignation or suspension. Suspended members shall continue to pay dues during the period of suspension. “All rights and privileges of the membership, including the property rights of a certificate membership, cease forthwith upon the termination for any reason, except for the certificate value when sold, which shall be returned to the member less any indebtedness to the Club.”

Section 12. Voting of Certificates; Although some members may hold more than one (1) share of stock or membership, said full member shall be entitled to only one (1) vote and shall pay dues for only one (1) membership, if only one (1) share of stock is activated.
